A consumer account is one that belongs to a natural person and used primarily for personal, family or household purposes. All terms that are not defined in this Agreement but which are defined in Regulation E shall have the same meaning when used in this section.

- (a) You must report an unauthorized EFT that appears on your periodic statement within sixty (60) days of the Bank's transmittal of the statement to avoid liability for subsequent transfers. If you fail to report the unauthorized EFT to us on time, your liability will not exceed the amount of the unauthorized EFTs that occur after the close of the 60-day period and before notice to the Bank, and that the Bank establishes would not have occurred had you notified the Bank within the 60-day period.
- (b) If the report is made orally, we will require that you send the complaint or question in writing and signed by you within ten (10) Business Days. We will notify you with the results of the investigation within ten (10) Business Days and will correct any error promptly. If more time is needed, we may take up to forty-five (45) days to investigate a complaint or question. If this occurs, we will credit your account within ten (10) Business Days (twenty (20) Business Days if the transfer involved a new account) for the amount you think is in error. This will allow you to use the money during the time it takes us to complete our investigation. If your complaint or question is not received in writing and signed by you within ten (10) Business Days, we may not credit your account until the investigation is completed. If an alleged error involves an EFT outside a state or territory or possession of the United States, we may take up to ninety (90) calendar days (instead of forty-five (45)). If we determine that no error occurred, we will send you a written explanation within three (3) Business Days after the investigation is complete. - (e) If your transfer authorization terminates by operation of law;
- (f) If you believe someone has accessed your Account(s) without your permission and you fail to notify the Bank immediately;
- (g) If you have not properly followed the instructions on how to make a transfer included in this Agreement;
- (h) If we have received incomplete or inaccurate information from you or a third party pertaining to a transfer, including without limitation, the financial institution name, address, account number, or the amount of the transfer;
- (i) If we have a reasonable basis for believing that unauthorized use of your Password or Account has occurred or may be occurring, or if you default under this Agreement, the Deposit Agreement or any other agreement with us, or if we or you terminate this Agreement or the Online Service at issue; or
